HELP! I Found a Lost Pet - Now What Do I Do?!?!?!?

There are many resources to help you track down the owner of a lost pet. Please try a few of these first before abandoning the pet to a shelter or back on the street! A loving

owner may be worried sick about their loss – let's try to do everything we can to help them reunite with their beloved pet.

On foot/phone:

- ❖ Go to any vet office and have the animal scanned for a chip - including cats
- ❖ Check vet offices in the area the pet was found
- ❖ Post flyers in the area the pet was found – if you are worried about a “fake” owner calling, leave out one important detail (breed, special markings, color of the collar)

On the Web:

- ❖ Craigslist - www.craigslist.org – Lost+found under the Community menu
- ❖ Houston SPCA - <http://www.houstonspca.org>- click on the Lost/Found menu - note that it takes up to 3 days for them to post so keep checking
- ❖ CAP shelter website - <http://www.cap4pets.org> – click Lost/Found under programs menu
- ❖ BARC shelter - http://www.houstontx.gov/barc/slp_search_database.php
- ❖ Check [Google.com](http://www.google.com) for local area lost pet websites - for example: Heights has a Heights Lost Pet Facebook page, Cypress has a Cypress Lost page, Spring Branch Facebook, etc.
